Arch Interim Housing is a locally owned and operated corporate/temporary housing company. Our corporate apartments are a very economical alternative to a cramped hotel room. Our prices start at \$59 daily and are 30-60% less expensive than extended stay hotels. All of our corporate apartments are fully furnished and include housewares, all utilities, high speed internet, expanded cable package, and local phone service. Our corporate apartments also offer at least twice the space of a hotel room with a full size and fully equipped kitchen, washer and dryer in unit, and great amenities like fitness centers, resort style pools, business centers and much more. We have over 30 locations in and around the greater St. Louis area. Call us today to find out how to save your company money and make your employees much happier and more productive.

### **The Lipton Group**

The Lipton Group is an industry leader in multi-family housing, commercial space and storage. By choosing the Lipton Group, you are partnering with a recognized leader that offers a professional, attentive team that focuses on you. We can offer flexible lease terms to your associates. We have floor plans ranging from convenient studio apartments to large three and four-bedroom townhomes. We work with local companies to make the move as seamless as possible. If you are looking to expand your office space, open a second location, or start up a new retail asset, we have commercial real estate in desirable areas with high visibility. Our extensive experience will position your organization for success. We never lose sight of the fact that personal attention is one of the most important amenities we can offer our clients, our residents and our employees. For information on our apartments, commercial space or storage facilities, please visit [www.liptongroup.com](http://www.liptongroup.com).
